

*We are so glad that you joined us today.*

At Thames, we try to create a casual atmosphere where you can meet new friends, get to know your neighbours and experience worship that relates to real everyday life.

No matter where you are on your life journey, our desire is to help you take the next step spiritually.

If you have any questions or comments please complete the connecting card on your bulletin; during the offering feel free to place it in the plate or after the service in the mailbox by the church office. We would love to connect with you!
